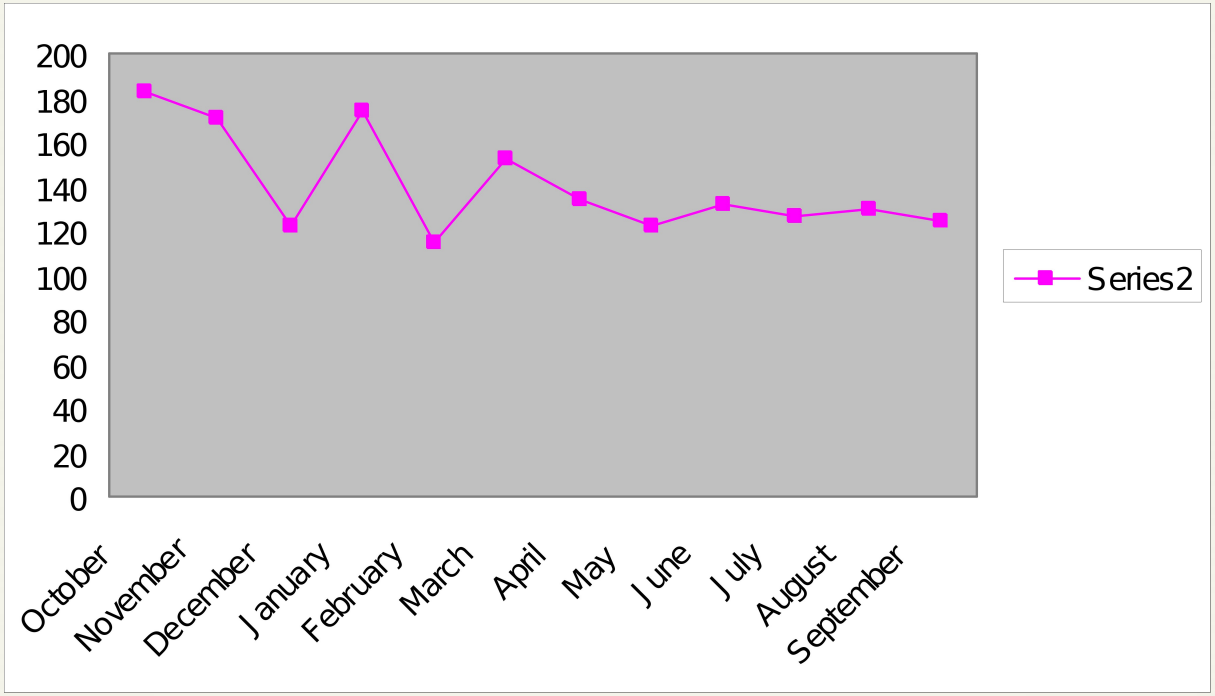
Electronic Document Access Next Generation (EDA-NG)

- **EDA Manual Uploads**

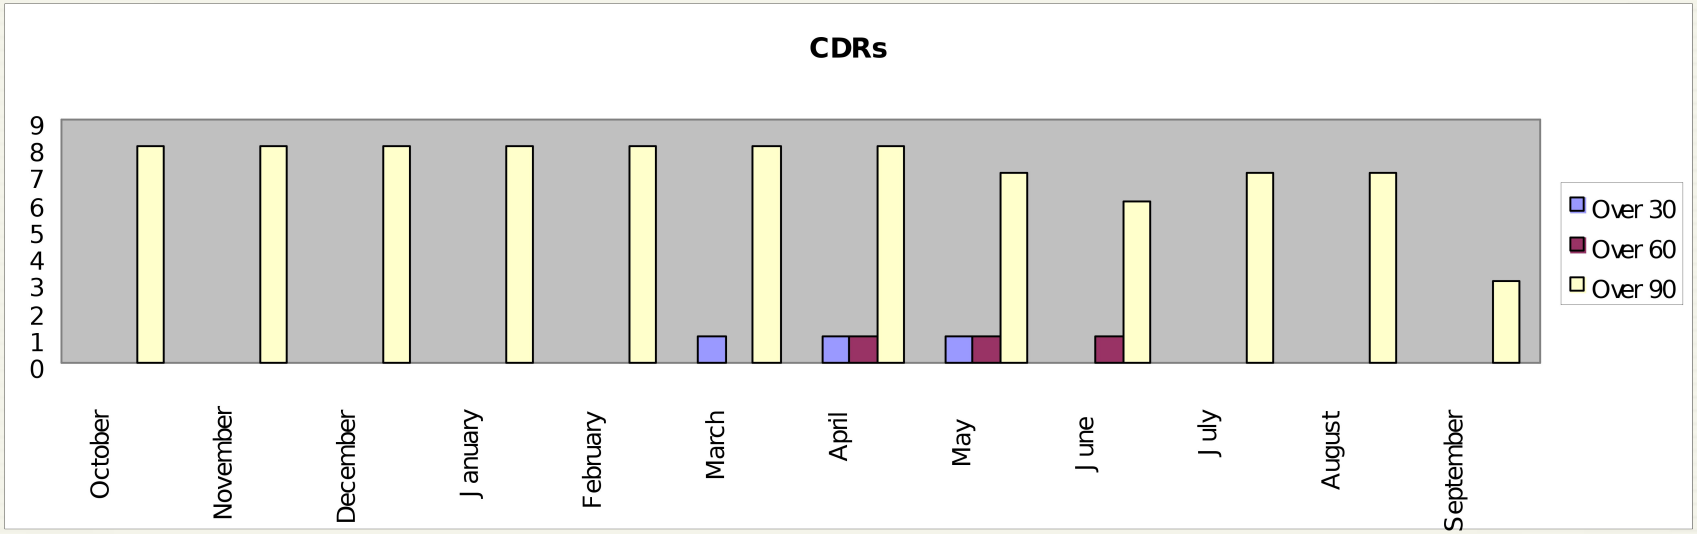


Trend: Number of actions being manually uploaded to EDA-NG seems to have leveled off. Manual upload represents 10% of all actions from USMC Contracting Sites.

Resolution: Increased usage of SPS will reduce manual upload process

Electronic Document Access Next Generation (EDA-NG)

- **EDA CDRs**



Good progress in decreasing CDRs over 30 days. FY08 GOAL: 0 CDRs over 60 days
